

To Whom it may concern,

The nurses, that care for a State client, would like to thank-you for the recent benefit of insurance coverage. This is a wonderful addition and is appreciated by all of us. We have at times, had to deal with inadequate insurance, or no insurance for some of us who could not afford it.

We feel that this helps us to be able to remain in the jobs we now hold, that is where we would like to be.

We would like to request that we continue to receive this added benefit in the future.

Thank-you for your time and consideration of this issue.
